## February 2020 (continued)

Visit [Span Plan Events](#) for details

A definition of Rally is to draw or call together for a common action or effort and that's what a Span Plan Rally is. We come together as a group to meet, make connections, support one another and share our experiences as nontraditional students. These events are a way to experience the community (and in most cases with your family members) and other students that may have a shared experience. As we gather to enjoy time together, we hope these opportunities will expand your academic community and provide a little time to step back and take a breath.

### **Midweek Rally Time – Relax and Unwind**

We're here to help you make it through the week and semester, so join us as we try out a little mindful meditation and have a smoothie afterwards to encourage good health in 2020! [RSVP here](#)

Wednesday, Feb. 26<sup>th</sup> | 4:00 PM | CoRec Mindfulness Room (smoothies @4:30 in Fuel)

Your time, your space...these are study sessions held for Span Plan students to academically prepare and recharge their batteries. We'll provide the quiet space and snacks, you use the time as you need to get ready for exams, catch up on homework (or get ahead) or unwind in a quiet space and get your game-plan in place.

### **Don't Bother Me, I'm getting My Study On!**

Join us for a quiet Span Plan space to use as you need to catch up on your homework, get inspired to finish that paper in a different space than home, study for a midterm or just stop by for a doughnut and to check in and let us know how things are going! Come and go as your schedule allows, we just ask for an RSVP to make sure we have enough goodies! [RSVP here](#)
