Startup vs Corporate Podcast Episode

Did you know that the CCO has a podcast? This week's episode, "Startup Versus Corporate: Figure Out Which Path is for You" features Ali Cudby, the Founder & CEO of Alignmint Growth Strategies.

Find this episode on Spotify, Apple, or your preferred podcast platform. You can also give the episode a listen through the "listen here" button! [LISTEN HERE](#)

Global Internship Workshop

Are you interested in working outside of the U.S. or looking for an internship abroad? Join the CCO and Office of Professional Practice to learn about resources and programs that will help in your search and application for internships outside of United States. Learn more about the workshop and access the zoom link through the "Click Here" button! [CLICK HERE](#)

JCPenney Suit-Up Event

Add some professional attire to your closet through the JCPenney Suit-Up event! Now through May 1st, receive an extra 30% off career and professional attire at JCPenney. Text BOILERS to 67292 to receive an individual coupon code for your order.
