and Organizations  
presents

## Sustaining Leadership

Succession Planning for  
Student Organizations

This workshop helps student leaders learn how to create effective succession plans to ensure their organizations' sustainability. Participants will explore strategies for identifying future leaders, transferring knowledge, and promoting accountability. By the end, student presidents will have the tools to implement successful leadership transitions for long-term success.

Date

**February 5th**

Time

**6:30pm-  
7:30pm**

Location

**Purdue Indy  
SL 165**

Please RSVP on Boilerlink to reserve your spot! (This presentation will be taking place in Indianapolis and West Lafayette. Please make sure you RSVP to the correct campus)

**Toyinda Smith**  
*Guest Speaker*

# PEER SUCCESS COACHING

## *IN INDIANAPOLIS*

---

A Peer Success Coach (PSC) is a consistent point-person who can offer guidance to students as they navigate life at Purdue. They are trained leaders who function as guides, listeners, and motivational partners.

### **Connect with a PSC for a semester!**

- You're matched & assigned a personal PSC
- You'll have consistent one-on-one meetings
- You'll sign a coaching agreement that outlines program expectations & guidelines

LEARN MORE & FILL  
OUT THE REQUEST  
FORM HERE!

**ACHIEVE ACADEMIC, SOCIAL, & PERSONAL SUCCESS!**
