Title: Quality Intern

Responsible Manager: Quality Manager

Location: Pflugerville, TX

At EOS, a world market leader for industrial 3D printing, we are looking for a Quality Intern to support our Quality Management System (QMS) and operational excellence initiatives. This role offers hands-on exposure to quality systems, auditing, and manufacturing support within a global advanced manufacturing environment.

Your Mission

- Support document control activities by organizing, reviewing, and updating controlled procedures and quality records.
- Assist with internal audit preparation and support ISO 9001 quality system audits.
- Support inspection and quality verification activities within operations when needed.
- Help track corrective actions and ensure documentation is complete and properly maintained.
- Support root cause investigations and continuous improvement activities using basic problem-solving methods.

Your Talents

- Pursuing a degree in Engineering, Manufacturing, Quality, or a related technical field.
- Strong attention to detail and ability to review documentation carefully.
- Strong organizational skills with the ability to manage information and records in a structured way.
- Comfortable using Microsoft Office tools such as Excel, Word, and PowerPoint.
- Show interest in quality systems, auditing, and continuous improvement within a manufacturing environment.

Our Vision

Over 1000 sharp minds, about 60 nationalities, one goal: accelerating the world's transition to Responsible Manufacturing.

Our proven technology, industrial 3D printing, has been extending the boundaries of manufacturing for over 30 years. We work globally networked and prefer to think outside the box and we're looking for people who want to shape the future with us.

EOS welcomes individuals from all backgrounds, ensuring equal opportunities without regard to race, color, religion, national origin, gender identity, expression, sexual orientation, age, or disability. At EOS, equity and inclusion are fundamental principles, and we believe in creating a work environment that is built on empathy, respect, and fairness.
