

Your **Global Experience**
Starts at USFQ

STUDY. INTERN. RESEARCH. GROW.

Explore our opportunities

Choose the **path that best fits** your academic and professional goals:

EXCHANGE PROGRAM

A Semester, One Year or Summer; experience student life at USFQ while earning academic credit.

GLOBAL INTERNSHIPS

Gain hands-on professional experience through an internship or explore research opportunities at USFQ.

GAIAS EUROPA BY USFQ

Study or Work in Valencia, Spain through USFQ's European academic and innovation hub.

USFQ RESEARCH STATIONS

Participate in impactful research in unique ecosystems, including the Galápagos Islands, the Amazon and the Cloud Forest.

Start with an Exchange Program, then an Internship.

Many students begin their journey at USFQ with a Study Abroad program in January and continue their experience through the summer with **an international internship**.

WHY USFQ?

Top-ranked
university
in Ecuador.

Liberal
Arts
education.

Beautiful campus
in Cumbaya,
surrounded by the Andes.

Research opportunities across
the Amazon, the Cloud Forest
and the Galapagos Islands.

International
community from
50+ countries.
